Norwegian Foot March

Joint Base McGuire/Dix/Lakehurst

Overnight on 18/19 September, 2026, the NJ Chapter of the Army Special Forces Association will conduct Norwegian Foot March (NFM) 105/26 aboard Naval Support Activity Lakehurst, the US Navy component of Joint Base McGuire/Dix/Lakehurst (JBMDL).

- Registration will go live at 1500 hrs (3:00 p.m. EST) on 15 July and is limited to 300 personnel (<https://runsignup.com/Race/NJ/JointBaseMcGuireDixLakehurst/NFMarch>). Those who don't make the primary list will be put on a wait list in order of registration; when there's a drop from the primary, the system will automatically bump up the next person and notify he/she that they're now on the primary list.
- Per the Norwegian Military's Guidelines for the conduct of the event, personnel may only march for record once each calendar year.
- We will again use nfm19sf@gmail.com to manage all inquiries and notifications.
- What you need to be doing between now and September is train; if you remember nothing else, remember this - you cannot store physical fitness!
